Microblading & Ombre Precare Instructions

Thank you for choosing LA BEAUTE for your brow enhancement experience.
Please make sure you read the following instructions to assure the best results for your procedure.

It is very important that you refrain from all **alcohol, aspirin, or aspirin products, all blood thinners.** Please refrain from **Ibuprofen and Aleve for 24hrs prior to your appointment.** The only product for aches and pain that will not make you bleed is Tylenol.

Also, refrain from **Vitamin E, and Fish oil capsules for 7 days prior** to your appointment. All of these will make you bleed excessively. Excessive bleeding during the procedure will negatively affect the longevity of your semi permanent makeup.

Please avoid **energy drink & coffee for up to 24hrs prior** to your appointment. Caffeine can also cause excessive bleeding.

LA BEAUTE does not perform any semi permanent procedures on anyone pregnant or breast feeding.
